He is a member of the personnel of the Battleship Utah, now in the southern waters for drill and target practise. He says he receives The County Record regularly and is thereby able to keep well up with what is going on in the old home town. "Boots" is a fine fellow and his friends all wish him the best of luck in Uncle Sam's service.

### Baseball at Kingstree

Yesterday afternoon a very interesting game of ball was played on the fair ground diamond between a team from Lake City and a local team only recently organized. The score yesterday stood 7 to 1 in favor of the home team.

Arrangements have been about completed whereby Lake City, Kingstree, Olanta and Summerton have a four corner league which is to give each of these towns several good amateur games a week. The series will open next Wednesday between Kingstree and Lake City at Lake City, and Summerton and Olanta at Olanta.

The Kingstree team as so far organized, is composed of the following: Holland, catcher; Wallace, pitcher; McGill, F., 1st base; Smith, D. W., 2nd base; McGill, T., shortstop; Blakely, C., 2d base; Brockinton, H., left field; McCullough, center field; McFadden, right field; Joe Gamble and D. D. McKenzie. B. H. Withers, umpire.

The Furman Quartet sings the most popular songs. Hear them Friday night.

### Airplane Passes Over Town

An airplane passing over the city yesterday caused considerable "rubber-necking" among the quiet population, many of whom had never seen a heavier-than-air jitney. The machine, manned by two airmen, was en route to Charleston from Darlington, and made a landing in the big stubble field on the north edge of town to replenish the gasoline tanks. The field being so sandy, the machine was unable to rise with both men in the cockpit, so one was left on the field. When the machine rose it ran into a fence and carried away several strans of barbed wire. It took the air nicely, and heading southward was soon out of sight.

There's plenty of "peg" in those jazz numbers of the Furman Quartet.

### New Candidates Out This Week.

In this newspaper will be found the announcement of County Supervisor J. N. Hammet who offers for reappointment to the office which he has filled acceptably for a number of years.

Mr. R. K. Wallace, son of the late Dr. W. C. Wallace, offers for Clerk of the Court. Mr. Wallace is well known to the voters of the County who, a few years ago, elected him to the legislature.

For the first time in a number of years there will be more than one candidate asking the support of Williamsburg voters for the office of County Supervisor. In this issue of The County Record will be found the announcement of Mr. S. J. Singletary, who is a well known citizen who expects the support of his friends at the polls in the August primary.

Mr. W. E. Brown, a life-long resident of the County, comes forward and announces for appointment as Cotton Weigher of Kingstree in opposition to the other candidates, Mr. Jno. Scott, present weigher, and Mr. W. F. McCants, former incumbent.

Mr. Samuel J. Graham, for the last four years a member of the legislature from this county, announces himself in today's paper, a candidate for the State Senate to fill the unexpired term of Mr. Hugh McCutchen, deceased.

The above, like all the others whose names appear in the candidates column of The Record are good fellows, and their friends will regret that they are restricted to just one.

### For State Senate

I hereby announce myself a candidate for State Senator from Williamsburg County, subject to the rules of the Democratic primary.

S. A. GRAHAM.

### SOME BOQUETS.

"It is with genuine pleasure that I testify to the excellence of the Furman Quartet which I had the opportunity of hearing render several selections. The voices are well modulated and so lend themselves to blending—the acme of quartet music. The gentlemen who compose the quartet seem to understand this to an unusual degree, for they sing with a simplicity and lack of effort which is most pleasing. From an experience of several years' Chautauqua and Lyceum work I am happy to state that from the standpoint of expression, tone and harmony it is one of the best quartets I have ever heard."

Donald H. McGibeny, Lecturer, Redpath Chautauqua de Luxe.

"The greatest musical and entertaining treat that Edgefield has enjoyed in many moons took place in the opera house on Thursday night of last week, when the Furman Quartet appeared 'on the boards' under the auspices of the Baptist Baraca Class. The solos, duets, and quartets were magnificently rendered by artists of the first order. The pianist is a second Paderewski, and the young violinist can be compared to the highest artists in this or foreign countries."

The Edgefield Advertiser.

"Permit me to express to you my pleasure in hearing you sing yesterday. You have good voices that blend harmoniously, and your pleasing personalities at once command attention from all. I predict for your quartet a bright future and I wish you continued success."

R. E. Bendell, Superintendent, Redpath Chautauqua.
